NOTICE OF ANNUAL GENERAL MEETING

RANDGOLD & EXPLORATION COMPANY LIMITED

(Incorporated in the Republic of South Africa)

(Registration number: 1992/005642/06)

Share code: RNG

ISIN: ZAE000008819

("R&E" or "the Company" or "Randgold")

NOTICE OF ANNUAL GENERAL MEETING OF SHAREHOLDERS OF R&E

Notice is hereby given to the shareholders of the Company that the annual general meeting ("the meeting" or "the AGM") of R&E will take place virtually on Monday, 8 May 2023 at 11:00 and will be accessible via electronic communication only, to consider and, if deemed fit, passing, with or without modification, the following ordinary and special resolutions in the manner required by the memorandum of incorporation of the Company, the Companies Act, No. 71 of 2008, as amended ("the Companies Act") and the Listings Requirements of the JSE Limited ("JSE").

PURPOSE

The purpose of the meeting is to transact the business set out in the agenda below.

1. AGENDA

Presentation of the audited annual financial statements of the Company, including the remuneration report and the reports of the directors and the audit and risk committee for the year ended 31 December 2022, for shareholders to consider. The annual report of the Company, containing the complete audited annual financial statements, is available at www.randgoldexp.co.za or can be obtained from the Company, at no charge, at its registered office during office hours.

2. TO CONSIDER AND, IF DEEMED FIT, APPROVE, WITH OR WITHOUT MODIFICATION, THE FOLLOWING ORDINARY RESOLUTIONS

Note: For any of the ordinary resolutions numbers 1 to 8 to be adopted, more than 50 percent of the voting rights exercised on each such ordinary resolution must be exercised in favour thereof.

2.1 Retirement and re-election of directors

2.1.1 ORDINARY RESOLUTION NUMBER 1

"Resolved that Mr PE Burton, who retires by rotation in terms of the memorandum of incorporation of the Company and, being eligible and offering himself for re-election, be and is hereby re-elected as a director of the Company."

Summary curriculum vitae of Patrick Ernest Burton (70) ("Patrick")

Independent Non-executive Chairman

BComm (Hons) Financial Management, Post Graduate Diploma in Tax Law

Date of appointment: 23 May 2013

Patrick was one of the founding members of Siphumelele Investments Limited, a black economic empowerment company, established in 1995, with a shareholder base representing in excess of 150 000 previously disadvantaged individuals. His experience as a director includes non-executive positions in fishing, food and financial services. Patrick is a member of the audit, risk, remuneration and nominations committees of PSG Konsult Limited. He is also a member of the audit committee of PSG Life Limited, as well as a member of the audit committee and remuneration committee of Telviva (Pty) Limited.

2.1.2 ORDINARY RESOLUTION NUMBER 2

"Resolved that Mr JM Kesler, who retires by rotation in terms of the memorandum of incorporation of the Company and, being eligible and offering himself for re-election, be and is hereby re-elected as a director of the Company."

Summary curriculum vitae of Joel Martin Kesler (50) ("Joel")

Non-executive Director

Date of appointment: 15 June 2021

Joel is a qualified Attorney, with degrees in Commerce and Law (Cum Laude) from the University of Cape Town. He has 25 years of experience in global merger and acquisitions, advisory, corporate finance and business development. From 2004 onwards, he has held a senior international executive board position with Atlas Resources Corporation, a public company previously listed on the NYSE (AMEX), TSX and JSE. He is a co-founder and principal of the Tomahawk Group, a multi-family office that holds a diversified private equity portfolio, including direct investments in mining and metals, oil and gas, industrials, technology, as well as speciality consumer products.

The reason for ordinary resolutions numbers 1 and 2 is that the Memorandum of Incorporation of the Company and the Listings Requirements of the JSE ("JSE Listings Requirements") require that a component of the non-executive directors rotate at every annual general meeting of the Company and, being eligible, may offer themselves for re-election as directors.

2.2 Re-appointment of the members of the audit and risk committee of the Company

Note: For the avoidance of doubt, all references to the audit and risk committee of the Company are a reference to the audit committee as contemplated in the Companies Act.

2.2.1 ORDINARY RESOLUTION NUMBER 3

"Resolved that Mr RJ Fehrsen, being eligible, be and is hereby re-appointed as a member of the audit and risk committee of the Company, as recommended by the board of directors of the Company, until the next annual general meeting of the Company."

Summary curriculum vitae of Roderick John Fehrsen (73) ("Rod")

Independent Non-executive director

Date of appointment: 15 June 2021

Rod, a qualified Accountant, has a long business career. He served in various positions in the Anglovaal Industries Group of Companies. He also served for about 13 years as CEO of Plate Glass and Shatterprufe Industries' South African glass interests. Mr Fehrsen was also part of the listing of a multi-faceted marketing services group, Billboard Holdings, and further spent some time as a private entrepreneur. He joined Ethos Technology Fund in 2002 as a partner, where he spent about 6 years.

2.2.2 ORDINARY RESOLUTION NUMBER 4

"Resolved that Mr PE Burton, being eligible, subject to the approval of ordinary resolution number 1 above, be and is hereby re-appointed as a member of the audit and risk committee of the Company, as recommended by the board of directors of the Company, until the next annual general meeting of the Company."

Shareholders should note that Mr PE Burton is the chairman of the board of directors and will not chair the audit and risk committee.

A summary of Mr PE Burton's curriculum vitae has been included in paragraph 2.1.1 above.

2.2.3 ORDINARY RESOLUTION NUMBER 5

"Resolved that Mr TS Dube, being eligible, be and is hereby re-appointed as a member of the audit and risk committee of the Company, as recommended by the board of directors of the Company, until the next annual general meeting of the Company."

Summary curriculum vitae of Tembani Samuel Dube (79) ("Sam")

Independent Non-executive director

Date of appointment: 18 November 2020

Sam is a successful businessman with over 45 years of experience in the public and private sectors. He was a co-founder of Jubelie Project Management, a property development company with numerous successful housing projects for municipalities, provincial and national government. Before establishing Jubelie, he served as the black economic empowerment partner for the Power group of companies as well as a director of the Small Business Development Corporation (now known as Business Partners).

The reason for ordinary resolutions numbers 3, 4 and 5 is that the Company, being a public listed company, must appoint an audit committee and the Companies Act requires that the members of such audit committee be appointed, or re-appointed, as the case may be, at each annual general meeting of a company.

2.3 Re-appointment of auditor

ORDINARY RESOLUTION NUMBER 6

"Resolved that KPMG Inc. be and is hereby re-appointed as auditor of the Company for the ensuing financial year or until the next annual general meeting of the Company, whichever is later, with the individual auditor being Mr Wayne Pretorius, as registered auditor and partner in the firm, on the recommendation of the audit and risk committee of the Company."

The reason for ordinary resolution number 6 is that the Company, being a public listed company, must have its financial results audited and such auditor must be appointed or re-appointed as the case may be, at each year's annual general meeting of the Company as required by the Companies Act and the JSE Listings Requirements.

2.4 Non-binding advisory vote on remuneration policy

ORDINARY RESOLUTION NUMBER 7

"Resolved that the Company's remuneration policy, as set out in the Annexure to this notice of annual general meeting, be and is hereby endorsed by way of a non-binding advisory vote."

The reason for ordinary resolution number 7 is that the King IV Report on Corporate Governance™ for South Africa, 2016 (“King IV™”) recommends, and the JSE Listings Requirements require, that the remuneration policy of a company be tabled for a non-binding advisory vote by shareholders at each annual general meeting of such company. This enables shareholders to express their views on the remuneration policy adopted. The effect of ordinary resolution number 7, if passed, will be to endorse the Company’s remuneration policy. Ordinary resolution number 7 is of an advisory nature only and failure to pass this resolution will therefore not have any legal consequences relating to existing remuneration agreements. However, the board will consider the outcome of the vote when considering amendments to the Company’s remuneration policy.

2.5 Non-binding advisory vote on the Company’s implementation report on the remuneration policy

ORDINARY RESOLUTION NUMBER 8

“Resolved that the Company’s implementation report regarding the remuneration policy, as set out in the Annexure to this notice of annual general meeting, be and is hereby endorsed by way of a non-binding vote.”

The reason for ordinary resolution number 8 is that King IV™ recommends, and the JSE Listings Requirements require, that the implementation report on a company’s remuneration policy be tabled for a non-binding advisory vote by shareholders at each annual general meeting of such company. This enables shareholders to express their views on the implementation of a company’s remuneration policy. The effect of ordinary resolution number 8, if passed, will be to endorse the Company’s implementation report in relation to its remuneration policy. Ordinary resolution number 8 is of an advisory nature only and failure to pass this resolution will therefore not have any legal consequences relating to existing remuneration agreements. However, the board will consider the outcome of the vote when considering amendments to the implementation of the Company’s remuneration policy.

3. TO CONSIDER AND, IF DEEMED FIT, PASS, WITH OR WITHOUT MODIFICATION, THE FOLLOWING SPECIAL RESOLUTIONS

Note: For the special resolutions to be adopted, at least 75 percent of the voting rights exercised on each special resolution must be exercised in favour thereof.

3.1 Remuneration of non-executive directors

SPECIAL RESOLUTION NUMBER 1

“Resolved, in terms of section 66(9) of the Companies Act, that the Company be and is hereby authorised to remunerate its directors for their services as non-executive directors, which includes serving on various sub-committees and to make payment of the amounts set out below (plus any value added tax, to the extent applicable), on the basis set out below, provided that this authority will be valid until the next annual general meeting of the Company:

Per annum for serving as a non-executive director of the Company:

3.1.1 Chairman	R648 270
3.1.2 Other non-executive directors	R407 484

(includes serving on the board’s sub-committees)”

Reason for and effect of special resolution number 1

The reason for special resolution number 1 is for the Company to obtain the approval of shareholders, by way of a special resolution, for the payment of remuneration to its non-executive directors for their services as directors in accordance with the requirements of the Companies Act.

The effect of special resolution number 1, if passed, is that the Company will be able to pay its non-executive directors for the services they render to the Company as directors without requiring further shareholder approval until the next annual general meeting of the Company.

3.2 Inter-company loans

SPECIAL RESOLUTION NUMBER 2

“Resolved that, in terms of section 45(3)(a)(ii) of the Companies Act, as a general approval, the board of the Company be and is hereby authorised to approve that the Company provides any direct or indirect financial assistance (“financial assistance” will herein have the meaning attributed to it in section 45(1) of the Companies Act) that the board of the Company may deem fit to any company or corporation that is related or inter-related (“related” and “inter-related” will herein have the meanings attributed thereto in section 2 of the Companies Act) to the Company, on the terms and conditions and for amounts that the board of the Company may determine and in accordance with section 45 of the Companies Act, provided that the aforementioned approval shall be valid until the date of the next annual general meeting of the Company.”

NOTICE OF ANNUAL GENERAL MEETING (CONTINUED)

Reason for and effect of special resolution number 2

The reason for and effect, if passed, of special resolution number 2 is to grant the directors of the Company the authority, until the next annual general meeting of the Company, to provide direct or indirect financial assistance to any company or corporation which is related or inter-related to the Company in accordance with section 45 of the Companies Act. This means that the Company is, inter alia, authorised to grant loans to its wholly-owned subsidiaries and to guarantee the debt of its wholly-owned subsidiaries.

The board of the Company will ensure that, prior to providing any financial assistance as contemplated above, it is satisfied that, immediately after providing such financial assistance, the Company will satisfy the solvency and liquidity test as set out in the Companies Act and ensure that the terms of any such financial assistance are fair and reasonable.

A shareholder entitled to attend and vote at the AGM may appoint any individual (or two or more individuals) as a proxy or as proxies to attend, participate in and vote at the AGM in the place of the shareholder. A proxy need not be a shareholder of the Company.

A proxy appointment must be in writing, dated and signed by the shareholder appointing a proxy and, subject to the rights of a shareholder to revoke such appointment (as set out below), remains valid only until the end of the AGM of the Company.

A proxy may delegate its authority to act on behalf of a shareholder to another person, subject to any restrictions set out in the instrument appointing the proxy.

The appointment of a proxy is suspended at any time to the extent that the shareholder who appointed such proxy chooses to act directly in the exercise of any rights as a shareholder.

The appointment of a proxy is revocable by the shareholder in question cancelling it in writing, or making a later inconsistent appointment of a proxy, and delivering a copy of the revocation instrument to the proxy and to the Company. The revocation of a proxy appointment constitutes a complete and final cancellation of the proxy's authority to act on behalf of the shareholder as of the later of (a) the date stated in the revocation instrument, if any; and (b) the date on which the revocation instrument is delivered to the Company as required in the first sentence of this paragraph.

If the instrument appointing the proxy or proxies has been delivered to the Company, as long as that appointment remains in effect, any notice that is required by the Companies Act or the Company's memorandum of incorporation to be delivered by the Company to the shareholder, must be delivered by the Company to (a) the shareholder, or (b) the proxy or proxies, if the shareholder has (i) directed the Company to do so in writing; and (ii) paid any reasonable fee charged by the Company for doing so.

1. The AGM will be held virtually and will be accessible via electronic communication only.
2. Shareholders or their proxies who wish to participate in and/or vote at the AGM should contact CTSE Registry Services (Pty) Ltd ("CTSE") at admin@ctseregistry.co.za or on +27 11 100 8352, by no later than 11:00 a.m. on Thursday, 4 May 2023 in order for CTSE to verify them and provide them with the link to the online registration and voting platform. Shareholders may still register to participate in and/or vote electronically at the AGM after this date, provided, however, that those shareholders are fully verified (as required in terms of section 63(1) of the Companies Act) and are registered before any shareholder rights are exercised.
3. Dematerialised shareholders would still need to submit proxies via the CSDP/broker or obtain a letter of representation to attend the AGM, which letter of representation must be submitted to CTSE before they will be able to provide a link to the online registration and voting platform.
4. CTSE will assist shareholders with all the requirements for electronic participation and is obliged to validate the information of each shareholder's entitlement to participate in and/or vote at the AGM before providing it with the necessary means to access the AGM electronically and/or the electronic voting platform.
5. Aside from the cost incurred by Randgold as a result of the hosting by CTSE of the AGM by way of a remote interactive electronic platform, which shareholders can choose to access, shareholders will be liable for their own network charges in relation to electronic participation in and/or voting at the AGM. Any such charges will not be for the account of the JSE, Randgold and/or CTSE. None of the JSE, Randgold or CTSE can be held accountable in the case of loss of network connectivity or other network failure due to insufficient airtime, internet connectivity, internet bandwidth and/or power outages which prevents any such shareholder from participating in and/or voting at the AGM.
6. Notwithstanding the availability of the electronic voting platform, shareholders may still submit forms of proxy to CTSE (in the case of certificated shareholders and dematerialised shareholders with "own-name" registration) or provide instructions to their appointed CSDP or broker (in the case of dematerialised shareholders without "own-name" registration) by no later than 11:00 a.m. on Thursday, 4 May 2023 or the time and date stipulated by the CSDP or broker, respectively.

ANNEXURE TO THE NOTICE OF ANNUAL GENERAL MEETING

REMUNERATION COMMITTEE REPORT

The Remuneration Committee mandate was approved and adopted with effect from 24 March 2004. A revised Terms of Reference to take account of the changes brought by the Act, the JSE Listings Requirements and King IV™ has been reviewed by the Remuneration Committee and was approved by the board on 8 March 2018. The document is reviewed annually and updated as required.

No remuneration consultants have been used during the reporting period.

The Remuneration Committee is satisfied that it has fulfilled its responsibilities in accordance with its terms of reference for the reporting period.

The Remuneration Committee will continue to implement the policy as approved by shareholders effectively in order to comply with all requirements and discharge their duties.

The group's remuneration policy, which is set out in part I of this report, and the implementation report, which is set out in part II of this report, will be proposed to shareholders for non-binding advisory votes at the annual general meeting in May 2023.

The Remuneration Committee comprises of the following members:

- Patrick Ernest Burton (Chairman);
- Tembani Samuel Dube
- Roderick John Fehrsen; and
- Joel Martin Kesler.

The board has considered Mr Burton's role as a member and chairman of the remuneration committee, whilst being the chairman of the board, and is satisfied that the applicable principles of King IV™ are complied with, bearing in mind, inter alia, that the majority of members are independent.

PART I: REMUNERATION POLICY

The group's remuneration philosophy is based on the following principles:

- Aligning executive remuneration with company performance and shareholder interests;
- Setting remuneration standards which attract, retain and motivate a competent executive team;
- Linking individual pay with operational and company performance in relation to strategic objectives; and
- Evaluating compensation of executives including approval of salary, equity and incentive-based awards.

In applying these principles to remuneration practices, management aims to be market competitive and ensures that good governance is observed in relation to all remuneration practices. In applying these principles, the Remuneration Committee aims to be transparent and achieve fair and responsible remuneration for management.

No benchmark is currently used to determine remuneration. The Remuneration Committee determines the remuneration of executive directors and other senior executive managers. The basic "cost to company" package consists of a basic salary. These packages are linked to the expertise and knowledge required in the position. Basic "cost to company" is fixed for a period of 12 months and is subject to an annual review. Executive directors' increases are proposed by the chairman of the board, but are subject to prior review by the Remuneration Committee and final approval of the board. There is no restraint of trade in place for either of the executive directors. Changes to the remuneration of independent non-executive directors are approved by shareholders.

Please refer to our website www.randgoldexp.co.za where the remuneration policy is stored for public access.

Executive directors' remuneration

Randgold's executive remuneration structure currently comprises only guaranteed remuneration. No variable recurring bonus arrangement is currently in place. There is no variable pay and directors are, due to company size and complexity and activities not rewarded for individual performance. As a result, it is not deemed necessary to provide an illustration of the potential impact on the total remuneration for executive management, on a single, total figure basis, of applying the remuneration policy under the minimum, on-target and maximum performance outcomes.

The remuneration paid to executive directors is disclosed on page 7 of this report.

Guaranteed remuneration

Executive directors receive guaranteed packages. These guaranteed packages are reviewed annually in March. Salaries are set in relation to the scope and nature of an individual's role, experience and performance, to ensure market competitiveness and sustainable performance. The board approved a 5% salary increase for the executive directors for the 2022 financial year (2021: 5%).

Variable remuneration

Not applicable.

Executive service conditions

There are no fixed-term service conditions.

There are no obligations in executive employment contracts which give rise to payments on termination of employment or office.

Non-executive directors' fees

Non-executive directors receive fees for serving on the board and board committees. No non-executive director has an employment contract with the company and no consulting fees were paid to directors during the year.

The proposed fees for the 2023 financial year, which are subject to approval by shareholders at the forthcoming annual general meeting in May 2023, are included in the notice of the annual general meeting on page 1 of this report.

Remuneration governance

The Remuneration Committee operates under formal board-approved terms of reference. Their duties include but are not limited to the following:

Duties:

- To consider the remuneration policy and to set strategic objectives for remuneration management within the company's operations;
- To make all determinations and take any action that is reasonably appropriate or necessary in the course of establishing the compensation of the company's executives;
- To review and approve corporate goals and objectives relevant to the compensation of the chief executive officer, evaluate the performance of the chief executive officer in light of these goals and objectives, and set the compensation level of the chief executive officer based on this evaluation;
- To review, and make recommendations to the board where necessary, all new employment, consulting, retirement and severance agreements and arrangements proposed for the company's executives. The Remuneration Committee periodically evaluate existing agreements with the company's executives for continuing appropriateness;
- To determine specific remuneration packages for each executive director and executive officer of the company, including fringe benefits, and to review these annually; and
- To consider other matters relating to the remuneration of or terms of employment applicable to the executive directors and executive officers that may be referred to the Remuneration Committee by the board.

Shareholder approval

The remuneration policy and implementation report set out above are proposed to shareholders in separate non-binding advisory votes in terms of the notice of the annual general meeting. In the event that either the remuneration policy or the implementation report, or both, are voted against by 25% or more of the votes exercised at the AGM, the board of directors will engage with such shareholders in order to clarify the nature of and evaluate the validity of such objections and legitimate and reasonable concerns and will, where possible and prudent, given the objectives of the remuneration policy, take those objections and concerns into consideration when formulating any amendments to the company's remuneration policy.

Voting at the 2022 annual general meeting

At the annual general meeting on 27 May 2022, the shareholders endorsed the remuneration policy and the implementation report of the company by way of separate non-binding advisory votes of 98.60% and 98.60% in favour respectively. As the non-binding advisory votes were passed by the requisite majorities, no further engagement with shareholders was required.

The Remuneration Committee believes that they applied the remuneration policy effectively and complied with all requirements.

COMMENTARY

TO THE SUMMARISED GROUP FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

GENERAL

The board of R&E is pleased to announce the audited results for the year ended 31 December 2022.

Mr Marais Steyn CA(SA), Financial Director, is responsible for the annual financial statements and these summarised annual results and has supervised the preparation thereof in conjunction with Ms Marizanne Nel; PA(SA) representing Outsourced CFO (Pty) Ltd.

STATEMENT OF COMPREHENSIVE INCOME

The 2022 group results reflected a loss for the year of R17.0 million (2021: R8.8 million). During 2022, income was derived primarily from finance income of R5.5 million (2021: R4.5 million) earned on investments in securities and money market funds. The group did not earn any income from recoveries in 2022 or 2021. The company spent R9.2 million (2021: R8.4 million) on personnel costs, R9.6 million (2021: R5.7 million) on legal and forensic fees and other operational costs totalled R4.6 million (2021: R3.9 million).

FINANCIAL POSITION

The major assets of the R&E group as at 31 December 2022 consisted of funds held in securities of R98.2 million (2021: R114.5 million). The board has adopted a low-risk approach to protect the group's investments in securities and funds, which are monitored daily in conjunction with a specialist treasury firm to maintain optimal returns with minimal associated risks.

The post-retirement medical benefit obligation of R9.9 million (2021: R9.9 million) is unfunded and the company continues to fulfil its medical aid scheme obligations. The R&E group had calculated tax losses as at 31 December 2022, but no deferred tax assets were raised as it is improbable that there will be future taxable profits against which to offset the tax losses.

CASH FLOW

The group's net cash outflow of R930,223 (2021: inflow R694,169) was the net result of interest and dividends earned together with the proceeds from the disposal and liquidation of investments in unlisted securities, less cash utilised to fund its operations during the year.

OUTLOOK

The outlook for 2023 is largely dependent on the progress and outcome of current legal matters. Expenditure on litigation is expected to be at a similar level as 2022. Until the claims in which the company are engaged have been finalised, this pattern of expenditure is likely to prevail.
